

## Champion Holiness Missions Donna, TX

April 2015

The 2015 Champion Holiness Mission Youth Camp is now history, yet we believe the effects will be eternal.

During the second week of March, forty-eight young people gathered in Donna, Texas for this bi-lingual holiness camp. From the very first service, the Holy Ghost moved. Lives were changed as

young people tarried for hours around the altars. During this camp, nine testified to being saved. Only eternity will reveal all that was accomplished in these days.

Brother Tim Brim and Brother David Trawick were used mightily of the Holy Ghost to preach messages that will not soon be forgotten, but will continue to speak and strengthen in days to come.

During the missions convention in December 2014, God worked in a special way to make known His will concerning the purchase of five acres that joined the mission compound.

On February 10, 2015, the purchase of this property was

finalized and is debt free! Much hard work went into cleaning up this area and preparing it to be

used during youth camp. Now there is plenty of room for outdoor activities.

As the Lord tarries, it is our vision to see the Lord accomplish great things at Champion Holiness Mission. It is because of the prayers and financial support of God's people that these things have been possible. Thank you for your investment in souls.
