## **Oasis Receives Support from Our Pool Company in Midland Park**

PATERSON, NJ – Oasis is honored to have been chosen by Our Pool Company of Midland Park for a special donation this year as part of their annual give-back program for a community non-profit.

Established in Midland Park in 2011, Our Pool Company is a family-owned and operated pool corporation serving the Northern Bergen County community. With over 40 years experience, OPC offers expert pool services to both homeowners and retail store patrons, providing high-quality and professional care with a personal touch. This year, OPC chose Oasis as the beneficiary of their annual spring promotion, making a donation for each pool opening it performed this season.

"Our mission is to strengthen and support the communities that support us," say Our Pool Company owners AnnMarie Brown & David Preus. "Lending a helping hand to local charities and to our volunteer civil servants is a very efficient way of helping us to accomplish our goal of making an impact in the areas where we live and work. Oasis has a track record of changing the lives of hundreds of women and children in Northern New Jersey each day, and we are proud to join their ranks of supporters. Our Pool Company is thrilled to be able to give back to Oasis on behalf of our loyal customers."

Executive Director Jennifer Brady and Board Chair Debbie Duffy accepted the donation on behalf of Oasis. "We are very grateful for Our Pool Company's commitment to the community and their support of Oasis this year," noted Brady. "Not only did they make a financial donation to our programs, but they also shared this partnership with their clients, helping us spread the word about our work in Paterson. Thank you, OPC, for your partnership and friendship."
