Over the past three years, our church has grown from 25 to 125 people on an average Sunday. This season of growth has drastically changed the demographics of our members/visitors and has led us to transition the worship style of our church. For the past year, our worship service has been a blend of traditional hymns and praise led by piano and acoustic guitar. While our worship service has served us well thus far, it is time to take it to the next level. In order to accomplish that we need help. We are looking for a passionate worship leader to come along side our existing ministry team to provide the greatest worship experience possible.
