

Mission & Ministry

S U M M I T

General Association of General Baptists

Dear Potential Sponsor/Partner,

The General Association of General Baptists (GAGB) would like to invite you to become a sponsor of our annual conference, The Mission & Ministry Summit. One of the primary sources of funding is from corporate sponsors, such as you. The GAGB receives no government funding.

The Summit is being held July 16-18, 2018 at the University Plaza Hotel in Springfield, Missouri. It is the annual gathering of General Baptist pastors, leaders, and families that promotes leadership development, spiritual educational workshops, praise and worship, great preaching, exhibits, youth activities, and much more.

The GAGB has provided funding, clothes, education, housing, medical clinics, and much more in under-developed countries and local communities for many decades. Your funds or in-kind donations will help us to continue our mission's goals and objectives.

Enclosed, please find more information on this exciting event, its sponsorship levels, and partnership opportunities. Unlike a one-time sponsorship, our Partnership Program affords your organization and ours opportunities to come along side and work together, much like our motto "doing together what we cannot do alone." Partnerships provide a year-round relationship promoting your products and services in combination with our vision and goals.

Please do not hesitate to contact us with any questions or for additional information. We look forward to speaking with you at your earliest convenience.

Sincerely,

Todd Luke

About Us

General Baptist Ministries operates as the world headquarters for the GAGB. The denomination consists of more than 800 churches in the continental United States with several hundred international missions in Central America, the Philippines, and Asia. Our missions include Faith Home Orphanage located in central Honduras which ministers to all aspects of a child's life, the Dorcas Sewing Centers in India that teach a worthy trade to women allowing them to escape the sex trade, higher learning centers in the Philippines, frequent training opportunities in Honduras and India, and medical assistance teams to Central America, the Philippines, Central Asia, and West Africa. State-side we have various local ministries involved in many areas of community service. Annually during the Summit our youth participate in local off-site community enrichment projects.

General Baptists are a denomination dedicated to winning thousands of people to Jesus Christ and His mission, believing Christ tasted death for every man. General Baptists envision a group of people, through the power of the Holy Spirit, impacting our world, enhancing the ministry of established churches, and starting new churches.

Geography

The majority of state-side General Baptist churches are located in the central United States, mainly within the Ohio and Mississippi River valleys. (*Generally within an area West of Louisville, KY; East of Springfield, MO; North of Nashville, TN; and South of Springfield, IL. Other areas of concentration are around Tampa, FL; Flint, MI; and west-central CA.*) Our international ministries are located in Central America, the Philippines and Guam, and central and east Asia.
