

Dear Pre-K Families:

Hello! My name is Colleen Skidmore. I would like to introduce myself to you, and give you a little background of my passion and experiences working with young children. It wasn't until my twin nieces attended and graduated from the Pre-k class here at First Baptist Christian School, that I became aware of the opportunity to teach in a faith-based, Christian school. I witnessed my nieces grow, not just physically, but also cognitively and socially thanks to the early education staff here at FBCS!

I bring with me to FBCS over 22 years of experience. My passion for teaching began at Head Start Child Development Council. Besides the care and supervision of young children, I implemented daily activities, and lesson planned to meet the needs of young children. Along with this, I planned for field trips, guest speakers, food experiences, social skills and much more. Language, literacy and social skills were a top priority. The goal there as well as here at FBCS is to prepare the children for kindergarten. My community volunteer services include Girl Scouts, where I serve as a registered volunteer. As a Girl Scout leader for the past 19 years, I have served as a positive role model for young girls 5-13 years of age. In my spare time I enjoy crafts such as sewing and scrapbooking and I love to cook! With a background in food service, I enjoy bringing new food experiences into the classroom. I am also a proud parent of an adult child.

With all this said, I am excited to be a part of the First Baptist Early Education Department/family. I look forward to meeting you and working with your child. I am here to teach these precious children and to assist you in any way that I can.

Thank you, Ms. Colleen Skidmore
