- Fill out this form with the names of people who have helped you in the past. If you don't know their names, describe them some other way – such as “The nurse in the hospital”. Then answer “Yes” or “no” to the question on the right-hand side of the page.

People who have helped me in the past	Did they owe me anything when they chose to help me? (Yes or No)

Extra, extra!

Lesson 30.1 – Word finding

Macky told me the story of Mephibosheth and David. Mephibosheth is a mighty fine name. I like it a lot. You can also find lots of words by using some of its letters. Have a try!

- Make as many words as you can of at least three letters or more. You are not allowed any plurals, by adding an "s" at the end. 25 words or more would be great.

Mephibosheth

"When God's people are in need, be ready to help them.
Always be eager to practice hospitality."
