

EASY Steps

BARBERSHOP SAMSON

1. Give each child a large, hard lollipop.
2. Show the children how to spread frosting with a plastic knife over one side of the lollipop, not including the stick.
3. Have children create Samson's face by arranging the candies or dried fruit on the frosted side of their lollipops.
4. Once children have created their faces, give each child seven 2- to 3-inch lengths of licorice. Have children press the licorice to the frosting on the outside of the lollipop faces as Samson's seven braids of hair. Allow children to cut a few strands of licorice using child-safe scissors. Set the lollipops on paper plates, and cover them with plastic wrap.
