

Golden Calf Questions:

The Israelites had just seen God free them from being slaves as well as part the Red Sea.

- Why do you think they decided to build a golden calf?
- Besides God, what are some things that are important to you?
- Do you think you worship these important things more than God? Why or why not?

ACTIVITY INSTRUCTIONS: Take out the 24 pennies that you have in your Bible Exploration Kit, and decide how much time you spend on each of the activities listed around the calf. For every hour you typically spend on something, give it one penny. If you spend less than an hour a day on something, don't give it a penny. When you've finished, stand up.
