

EMERALD CITY BIBLE FELLOWSHIP

Urban Impact @ Emerald City Bible Fellowship's Summer Enrichment Camp Teacher Job Description

Urban Impact at Emerald City Bible Fellowship (UI@ECBF) is hiring **3 Teachers** for our six-week summer children's program. Urban Impact is a faith-based community development non-profit in the Greater Seattle Area with a mission to partner with families and communities to break the cycle of social, material, and spiritual poverty.

Program Overview:

The purpose of the Summer Enrichment Camp is to reduce summer learning loss among K-5th grade students in the Rainier Valley community, create a space where they can connect with God, and provide learning experiences outside of the classroom. Summer learning loss is a phenomenon where students start the academic year with lower achievement levels than where they were at the beginning of summer break. Summer learning loss is prevalent in low-income neighborhoods where there is less access to academic supplements.

Our Summer Enrichment Camp will focus on reading and science during morning class sessions to keep students' minds active. Classes will be divided into three levels: K-1st, 2nd-3rd, and 4-5th grade. We will have enrichment activities in the afternoon in areas such as nature, art and recreation. At the end of the day, we will provide a time to learn about God, which families have the option to opt out of. Every Friday all the students will go on field trips. Through all of this, we hope to provide an enriching summer experience for children in the Rainier Valley to equip them for academic success.

Position Description:

We are looking for experienced, passionate, and energetic teachers to lead the morning class sessions in reading and science. Teachers will be responsible for a classroom of 10-15 students. Ideal candidates are closely connected to the South Seattle community, experienced in education, comfortable leading elementary-aged children, and committed to their faith in Jesus Christ. Teachers will work part time on Mondays (9am-1pm) and Tuesday through Thursday (8am-12pm).
