The Deacons have scheduled an emergency response training that will focus on what to do in an active shooter situation so that we can be better prepared. ***Please note that some blank rounds will be fired to better simulate a real scenario.***

We encourage church leadership and those who work with students/children to attend this training. For those involved in CCW, this training is **REQUIRED** to carry on-site. Sign up at the Information Center. Any questions, contact Andy Stephan (937-570-1577) or one of the other Deacons.
