PULASKI COUNTY CARE FUND FOR COVID-19 RESPONSE

Frequently Asked Questions

What is the Pulaski County Care Fund and how does it address COVID-19?
The Pulaski County Care Fund will provide assistance to local community organizations responding to COVID-19.

How can I support Pulaski County’s COVID-19 response efforts?
• Give online at www.cfopc.org/Covid-19response
• Send your check payable to CFPC/Pulaski Co Care Fund to P.O. Box 407, Winamac, IN 46996.
• Give through your donor advised fund, recommending a grant to CFPC for Pulaski County Care Fund.

Can I designate my gift for a specific organization or purpose?
Donors may not restrict their gifts to a specific organization or purpose. If you would like to support a specific organization, we encourage you to give to them directly.

How much of my donation will go to help those affected by COVID-19?
CFPC is waiving administrative fees for the Pulaski County Care Fund. This means that with the exception of fees charged by credit card companies, 100% of your gift will be used to help respond to COVID-19 in Pulaski County.

Should I give to this fund instead of making other donations?
No. The Pulaski County Care Fund’s goal is to enable CFPC to quickly get charitable resources where needed most. Please continue to give to organizations you regularly support, as this is a difficult time for all our nonprofits. Now is the time to double down for our community as we begin to respond to both immediate and long-term ramifications of COVID-19.

What will grants from this fund support?
Grants will be made to support community organizations directly responding to Coronavirus-related needs. We anticipate both immediate and longer term needs related to this crisis. Priority will be given to organizations working to meet basic needs. Fund resources will not provide direct grants to businesses or individuals.

What types of organizations are eligible to receive grant funding?
Grants are limited to 501(c)(3) nonprofit organizations or other charitable organizations able to receive tax-deductible contributions such as schools and public entities.

How can my organization apply to receive funding?
To help address needs quickly and not further burden nonprofits, a traditional application process will not be used. Organizations can fill out a brief form at www.cfopc.org/Covid-19response to ensure they are considered for funding.

Can individuals affected by COVID-19 apply for funding?
The Pulaski County Care Fund is not able to provide direct grants to individuals.

When will you share information about grants from the fund?
A listing of grantees will be published on the CFPC website.

What will happen to any funds not used for the COVID-19 response effort?
In the event that all funds contributed are not able to be distributed to COVID-19 response efforts, any remainder will stay in the Pulaski County Care Fund for future emergency needs.
