## **1. Seven months of supernatural and divine activities**

The season from the Feast of the Passover to a month after the Feast of Tabernacles will be months of supernatural and divine activities in the heavens.

Divine activity will be unveiled because God wants us to be aligned to what He is doing in the heavens so that we can be aligned and be adjusted.

## **2. Heaven will be pulsating with divine activity.**

Those who are set on that frequency through the utterance of tongues given to us by the Spirit will respond to the convictions of the Holy Spirit. The heavens are opened, the earth is stepping in and embrace the outpouring.

## **3. Awakening, Awareness and God consciousness**

There will be God consciousness in the mind and spirit of God's people. Sin, self and demon consciousness will be overtaken by the awesome presence of God.

*Acts 2:43*

*<sup>43</sup> Everyone kept feeling a sense of awe; and many wonders and signs were taking place through the apostles.*

## **4. The Spirit of Faith**

The sense of expectation and faith will increase. A greater measure of the spiritual faith for extraordinary signs and wonders will release a strong freedom of the Spirit and tremendous liberty in the atmosphere.

(Heb 13:7, Heb 11:32 – 40)

## **5. Rivers in the House**

The river of God will flow strongly into the House of God and various types of anointing will break upon people set aside for the corporate assignment. There will be a strong prophetic release. The prophetic word will be clear and it will activate a deep passion to move towards corporate destiny. All those who drink of that river will find deeper experiences in worship, prayer, prophetic and in the area of ministering in the word.

Eze 47:1-12, Rev 22:1-2, John 7:35-39

## **6. God's Revelation in our nations**

During this season we will see God's intervention in our nations. There will be an increase of His government first in the restructuring of His house, then in the community and nation. He will also identify and release strategic men to demonstrate Kingdom governance.

## **7. The Progressive Revelation of Christ by the Spirit**

The progressive revelation of Christ will be made known to those who come away into His Presence. The Church will see Jesus in many different facets and dimensions. The revelation we receive will bring the Spirit of Understanding and Wisdom into our lives. While the churches today grope in darkness, those who abide in His Presence and harken to His voice will be building on solid foundation. These new governing churches will be built to last.

## **8. The Passover Miracle**

.At the Passover God's people will experience the power to overcome death. These revelation of God will be our protection. We are delivered from the spirit of death. The fear of God and the explicit obedience were the key to their freedom from oppression and captivity. At the Passover God's people were instructed to eat the unleavened bread and the lamb in haste and get ready for the journey towards destiny.

## **9. At Pentecost we receive**

Something sovereign will be happening during this season. We will be receiving the Spirit in a greater measure. We will be baptized in the Spirit and with fire. The Spirit of Truth must be our defence and armour and we must express truth in the inner man.

## **10. Angels on assignment**

God is dispatching angels with an assignment. They are sent out to render service to those who will inherit salvation. Some of these angels will be seen while others may not be revealed. When angels are present, we know that heavens are opened. Angels will ascend and descend. They will infuse strength into our spirit and our body by their presence. The angels can also inspire our spirit and open our eyes to see into the future. The angelic realm reveals the presence and expression of Zion.

## **11. The Spirit of Sonship**

The Son of God will manifest in the sons of God and new level of maturity will be seen in the saints. Though all of us are re-created in the image and likeness of Christ, God has shown me that we will live on 2 different planes by

being in the Spirit. Many matured sons will be called to sit in the council of heaven and they will represent God accurately on the earth.

## **12. The Dominion Anointing**

Many leaders will break forth in their signature anointing. Many leaders who are pressing in will see tremendous personal success and fulfilment. The Dominion Anointing will cause us to function according to the grace given to us. We will be at our Best Performance because we will be in our element and in our personality. We can build that way because that's our portion of grace (Luke 8:5-11)
