

THE ART OF MARRIAGE

Each week we will go through a chapter in the book. We have an extra DVD incase you miss a week. Please contact Jack and Rania Haynes if you need it.

Each session has questions for each spouse to do toward the end of the chapter, as well as a written recap of the video's main points. It also has suggestions for that week's date — a prioritized time for each couple to come together, discuss their individual thoughts and responses, as well as go through a few additional topics (all laid out in the book).

If for some reason you misplaced your book, or do not have one, let us know and we'll do what we can to provide you with the appropriate information for that week.

And, as always, please be in prayer for your marriage, the marriages of the other couples in the group and congregation as a whole, and keep fighting to make your marriage a priority in your life as you seek to honor God and follow Christ.
