Spring 2026

YOU'RE INVITED!

by: Pastor Jason

The never-ending story never gets old. The impossible outcome is always miraculous and overwhelming to fully comprehend.

Though the details are the same, there's always something new to see. There's always something life-changing to behold as if we're reading it for the first time.

The story of Easter records the only supernatural series of events that completely realigned the trajectory of humanity. Where there was inevitable death there is now everlasting life. Where there was total destruction there is now complete redemption.

Jesus came to live, die and, thankfully, live again. That incomparable truth is so simple to say yet so completely life-changing to understand. The story of Jesus still changes lives because what was true then is still true today.

When Jesus willingly gave up His life on the cross, the debt for our sin was forever paid. When He triumphantly came out of the tomb, our promised future was forever guaranteed.

There's only one thing about the story of Easter that remains unknown. Will we choose to receive it? Will we allow the power of the Holy Spirit to radically transform our lives?

We're not talking about just accepting Jesus by raising a hand at the end of a Sunday service but rather making a decision to become a disciple of Jesus and follow Him every day.

Because of what Jesus did, we've been invited into the story of Easter. We're invited to become a committed follower of Jesus and give our lives for the sake of the Gospel. We're asked to spend our days building His kingdom for the glory of God and what Jesus did for us.

Easter is our invitation to step into our calling, our life purpose, for the cause of Christ. Will we accept the invitation?

UPCOMING KINGDOM BUILDERS HIGHLIGHTS

Sunday, April 12th - Jacob & Jamie

Jacob and Jamie are Kingdom Heroes sent from our church, serving in Southeast Asia. They invite university students to their conversation club, where they teach English, build relationships, and create community. Through these connections, students see and experience Jesus and have opportunities to join small groups and grow in their faith.

Sunday, May 10th - Rising Above Ministries

Rising Above Ministries supports special-needs families through encouragement, inspiration, and community. They believe God loves every family and wants them to experience that love in a real way. They host retreats and workshops, help churches build special-needs ministries, and are growing their online community through groups, virtual events, and an app.

Sunday, June 21st - Scott & Diana

Scott and Diana have served in the Middle East for 20 years, training and sending church planters, discipling believers from Muslim backgrounds, and supporting the spiritual and emotional health of leaders. Over that time, they have witnessed lives transformed as people follow Jesus and grow in their faith.
