neighborhoods
to
nations

Sometimes you just have to sit back and marvel at the greatness of our God, knowing that what He's doing is far greater than anything you could have ever imagined. Kingdom Builders at Hope Church is one of those things. When we completely restructured our missions focus in 2021, we were simply trying to obey what we'd heard God speak.

Our church had been struggling, and God's apparent solution was for us to give more than any of us were comfortable giving. It didn't fit the budget, and we didn't have extra to give. While it didn't make sense to our human way of thinking, it wasn't completely unexpected, because God's kingdom often operates in ways exactly opposite to how culture tells us to respond.

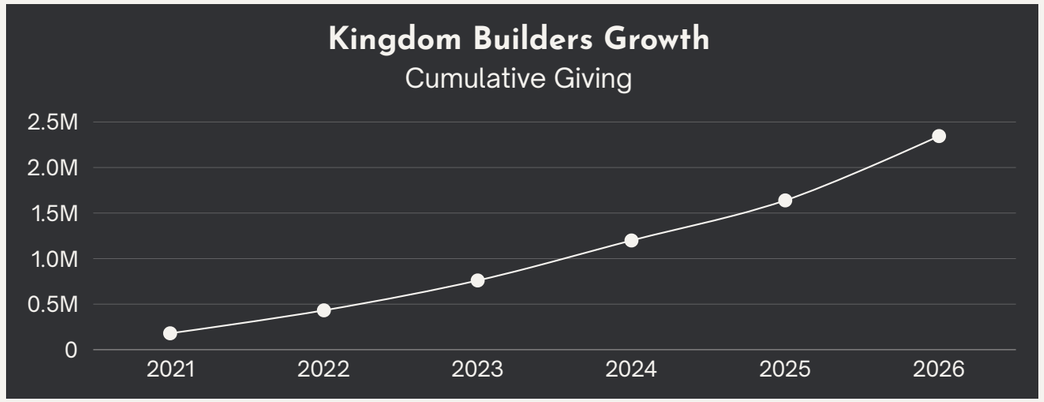

When we don't think we have enough as it is, God usually says, “Give something away.” When we're looking to increase our provision because we're feeling the pressure of life, God says, “I am your provision. Trust me.” That’s how it works in God’s kingdom, because generosity is His nature. He knows that we look most like Him when we're giving of ourselves for the sake of reaching people with the Good News.

That's the heart behind Kingdom Builders. That's why we choose to give sacrificially. We’re partnering with the work of the Holy Spirit to take the Gospel from our neighborhoods to the nations.

God is moving miraculously, and He’s graciously including us in something wonderful. We invite you to join us. Together, let’s help build His kingdom. We are Kingdom Builders.

Jesus instructed His followers to go and make disciples of all the world.

Everyone who calls on the name of Jesus WILL be saved,
but how can they call on Him unless they believe?
And how can they believe in Him if they've never heard?
And how can they hear of Him unless someone tells them?

His Kingdom is near, and the call is clear.

Will you pray for the lost to be found and the prodigals to come home? Will you allow the Holy Spirit to break your heart for those who don't yet know Jesus? Will you say "yes" to personal sacrifice so that you have something meaningful to give? Will you choose to give your life for the sake of His gospel?

Time is short. Jesus is coming soon.
The harvest fields are ready, but the workers are far too few.

Will you give? Will you go?

Will you be a Kingdom Builder?

2027 KINGDOM BUILDERS TRIPS

PHILIPPINES

March 8-16 | $2,000

This trip is for women and children, serving alongside our Kingdom Heroes, John and Kelli Williford, at Happy Horizons Children's Ranch and ministering to girls rescued from sex trafficking. The team will lead children's and youth ministries, community outreach, and local services, using skills such as teaching, cooking, art, music, or technology to make a lasting impact.

MEXICO

June | $1,800

Jaida Campbell is leading a trip to La Ola Orphanage in Mexico. The team will lead Vacation Bible School for the children at the home and welcome children from the surrounding village. They prepare lunch bags to share with families in impoverished villages and hope to host an outreach service in one of these communities.

KENYA

July 5-17 | $3,500

Join David and Ginny Forbes, US Teams Coordinators for HEART Africa, in Kenya to build a home for at-risk families and support programs that transform the lives of women and children. Invest your time, talents, and resources while serving families in Kenya. New this year, the trip will also include a medical team.

COLOMBIA

July 16-23 | $2,000

The 2027 AIM Youth Missions Trip is for students ages 15–18 through the Tennessee Ministry Network. Participants will serve in Colombia through hands-on ministry, teamwork, and meeting community needs. More details to come.

COSTA RICA

ECUADOR

October 9-16 | $2,000

Kingdom Heroes Joil and Leah Marbut have served in the jungles of Ecuador for over 20 years, planting churches and reaching unreached communities. This trip focuses on building churches in remote areas with limited modern facilities and potentially challenging conditions, including hiking, boating, and tent camping.

2027 DAY TRIPS

DREAM CENTER

February 27

Join us for a day trip to Smoky Mountain Dream Center in East Tennessee to help paint and prepare their new property for use. These spaces will help the center bring Christ-centered solutions to women and children impacted by poverty, abuse, and incarceration through feeding programs, women's rehabilitation, and transitional housing.

CAMP JACKSON

Spring & Fall

Join us for a workday at Jackson Conference Center in Goodlettsville, TN, where the Tennessee Ministry Network hosts youth and kids camps. Help clean up the property, make repairs, and prepare for a summer of camps where lives are changed through Jesus.

TSU CHI ALPHA

October

Partner with our Kingdom Heroes, Bradley and Autumn Nicholas, as they launch Chi Alpha at Tennessee State University. This trip will support their launch event through outreach during TSU Homecoming, helping introduce students to the ministry and build connections.

GRATITUDE Offering

In Leviticus chapter 7, we read the story of this opportunity to give, sometimes called a peace offering, which was simply a voluntary expression of thanksgiving to God for His never-ending faithfulness. It was a sacrifice to have something to give, but it was never required. It was welcomed, but it was never commanded. It was an offering that came from the heart.

As Kingdom Builders at Hope Church, we've chosen to bring a gratitude offering to the Lord. It's our single, best offering, not because we're obliged to give, but because our heart compels us to give.

This offering changes lives, including ours. This offering allows significant investment in mission projects, both here and around the world, that are making a difference for eternity.

The question is simple: what is God asking us to give? How much is God asking us to trust Him? We can look at our budget, or we can look in faith at the size of our God. And what we gratefully give will be joyfully given away – every penny – knowing that God will multiply it for His use and for His glory.

God has been so good, and we are so grateful that He has called us to join Him in being Kingdom Builders.
