

# Having Faith in God's Process

God's Creative Process: Part 9 – October 5, 2025 – Pastor Jason

The temptation we face at each stage of God's creative process in our lives is \_\_\_\_\_ what God has already done and \_\_\_\_\_ what might lie ahead.

When we fail to remember God's faithfulness in our past, it can cause us to be \_\_\_\_\_ of His faithfulness in the future.

**Hebrews 13:8-9a (NLT)** *8 Jesus Christ is the same yesterday, today, and forever. 9 So do not be attracted by strange, new ideas. Your strength comes from God's grace...*

If we're going to have faith in God's creative process, we need to do two things: \_\_\_\_\_ and \_\_\_\_\_.

v. 4 And God SAW that the light was good.  
v. 10 And God SAW that it was good.  
v. 12 And God SAW that it was good.  
v. 18 And God SAW that it was good.  
v. 21 And God SAW that it was good.  
v. 25 And God SAW that it was good.  
v. 31 God SAW all that he had made, and it was very good.

1. Do you \_\_\_\_\_ the darkness and chaos that once characterized your life?
2. Do you see how the \_\_\_\_\_ of God's revelation brings vision for what He wants to do in you?
3. Do you see the way God has begun to change the \_\_\_\_\_ in your situation?
4. Do you see the way He's started to create new STRUCTURES in your life?

MY NOTES

5. Do you remember the \_\_\_\_\_ He has orchestrated in your life, guiding you through times of growth and loss, of harvest and rest?
6. Can you see the \_\_\_\_\_ – the new things that have formed in your life because of His faithfulness?
7. Do you regularly take time to \_\_\_\_\_ and remember God's goodness and faithfulness to you?

**When we remember, when we take the time to SEE the evidence of God's creative process, it builds our \_\_\_\_\_ to trust Him for tomorrow.**

**Philippians 1:6 (NLT)** *I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns.*
