My Generosity Assessment

A generous giver gives...

FAITHFULLY

"The wicked borrows and does not pay back, but the righteous is gracious and gives." Psalm 37:21

Do I give my time, resources, and finances regularly and faithfully, or only when it is convenient?

Do I seek opportunities to be generous, or do I wait for these to come to me? (Church, missions, people/families in need, etc)

THEIR BEST

"Honor the Lord from your wealth and from the first of all your produce; So your barns will be filled with plenty and your vats will overflow with new wine." Proverbs 3:9

Is my generosity with my time, resources, and finances a priority, or do I wait to see what is left over when deciding how/what to give?

What am I currently giving to the Lord? Is my giving sacrificial or comfortable?

CHEERFULLY

"Each one must do just as he has purposed in his heart, not grudgingly or under compulsion, for God loves a cheerful giver." 2 Cor 9:7

When I give, am I glad and eager to do so, or do I only give because I feel obligated to do so?

Do I have a selfish "it's mine" attitude about giving, or do I understand that all that I have belongs to God?

Where is God leading me to grow deeper roots in the area of giving?
