MY CIRCLE INVENTORY

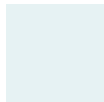

No one in the history of the world has the same circle of influence that you have—the relationships, the trust, the influence. The question is, “How can you bring the Kingdom of God into your circle of influence?”

Follow the steps below and on the next page to discover where God is moving within those relationships and consider where you can have a Kingdom impact.

STEP 1

In the green box, write the number of people in that area of your life.

STEP 2

In each blue box, write the number of good relationships you have within that group of people. A good relationship is one with someone who knows you, likes you, and would help you if you asked.

STEP 3

Of those people in the blue box, what percentage of them have an active relationship with God or the church?

STEP 4

In the blanks, write the names of the people in your area who you think may be the most beneficial to invest in during the upcoming season.

Based on your circle inventory, who in your life could you invest in in the upcoming season?
What might that look like?
