MCC HISTORY

Our MCC HISTORY PROJECT TEAM is updating our church history by collecting artifacts that will be stored electronically. We hope that you will be a part of this project. If you have photos, programs or notes from church events that have been passed down in your family or you have special memories of Macedonia, we would like to add these to our history. So start searching your photos, keepsakes or memories for your contributions. Please contact Susan Harris to provide information.

We are excited to preserve our history!
