GALILEE HARVEST BAZAAR

NOV 19
Dear Friends,

Each year the oceanfront churches and the local synagogue join together for an ecumenical Thanksgiving service. For my first six years at Galilee, I was unable because of scheduling to participate, but this year I look forward to being the preacher at that service--and I invite you to join me.

The service will be at First United Methodist Church on 19th Street, at 7 PM on November 22nd.

Meanwhile, November brings plenty of activity to all our lives--and I remind you that on the Sunday after Thanksgiving we will have our annual Advent Wreath Making on Sunday morning. Advent is many things--but what it is NOT is the starting line for Christmas. Rather, it is marked by deliberate attention to our future hope--that Jesus will return, and we mark time with our Advent wreath as a reminder of His promises.

Grace and peace to each of you,
VETERAN'S DAY SUNDAY
NOVEMBER 13

At our Veteran’s Day Service (11/13) let us honor the memory of those who served, Veterans (all former service personnel) please wear your decorations, medals, etc. Folks on active duty please wear your uniforms with decorations, etc. I’m sure we have a lot more military in our congregation than we think. Remember our children are in church with us. We want them to check things out. Ask questions of mom and dad. "What are they wearing on their coats? What do those bits of color represent?" Mom and dad, it is your duty to know the answers.

Dear Fellow Parishioners:

The theme of this year’s stewardship campaign at Galilee is “Why We Give”. I love this theme because it has both spiritual and practical applications. Father Andy will be preaching about the spiritual reasons we give, which are clearly the most important. Therefore, I thought I would focus more on the practical reasons we give. Here are those that I believe are most important:

• Galilee is currently blessed with the best staff we have had in my 36 years as a parishioner...hands down. This staff, under Father Andy’s leadership, provides us outstanding preaching, teaching, pastoral care, youth leadership, healing services, music leadership, facilities maintenance and business management. We give to provide the salaries and benefits necessary to have such a wonderful team.

• Galilee offers excellent Christian education opportunities for all age groups. Our gifts support this vital undertaking.

• Galilee has a large, attractive and highly functional facility that is heavily utilized throughout the week. We give to have the funds to maintain and operate this physical plant.

• Galilee engages in Christian outreach, helping to fulfill our mission of renewal for our community and the world. We give to support these efforts to bring people to Christ and meet basic human needs.

I could easily fill up this entire newsletter writing about all the wonderful benefits we parishioners derive from our gifts to Galilee. However, I will close with something my wife Connie said when, as a young mother, she spoke to the parish about the importance of giving to Galilee. She gently reminded us all that, “Galilee is one of the only places, outside our homes, where our children can learn about the love of our Savior, Jesus Christ”.

Grace and Peace,

Page Lea

Galilee Advocates for Mental Health (GAMH)

Mental Notes to help REBUILD, RESTORE and RENEW

- Thanks to the success of last fall’s cold weather clothing drive for The Beach House, the Galilee Advocates for Mental Health request your donations again. Please bring warm clothes, hats, gloves, jackets, and boots each Sunday in November and members of the GAMH will take the donations to The Beach House on the following Monday. The members of The Beach House were so appreciative of your efforts last year, and we hope we can count on your support again. Susan Wynne has been instrumental in making this such a success.
- The GAMH will also promote a fresh fruit drive for The Beach House in May 2017 celebrating Mental Health Month, and will again conduct a warm weather clothing drive in July 2017. Announcements will be made in the Net as a reminder.
- Mental Illness Awareness Week took place the beginning of October, and thanks to Pete Peterson for producing very informative GAMH brochures for Galilee. This brochure capitalizes on the GAMH mission to Rebuild, Restore and Renew the lives of all affected by mental illness. The brochure is complete with a history of GAMH and a prayer for all needing healing from mental health concerns.
- The Women’s Wellness Event: Mental Health Matters took place on October 11th at the Ted Constant Center in Norfolk with an invitation to GAMH members to participate. The Key Note Speaker was Dr. Stacey Otey-Scott, former Doctoral student of Dr. Sautter.
- The NAMI Walk in Richmond took place on October 15th, which is the annual gathering promoting mental health awareness across Virginia. Tommie Cubine has been a key link to NAMI events and energetically participates in this event annually.
- The Beach House tour and Cross Train Your Brain: Play Ping Pong presentation was conducted on October 25th and enjoyed by all.
- The GAMH is very appreciative of Kathy Wakefield taking the reins as Chair of the GAMH Committee, and also a warm thank you to Mary Lee Harris for keeping Galilee Parishioners informed of the GAMH activities in her Pastoral Care Update by email.
- Finally, we would like to invite any Parishioner to join the GAMH as we could use any and all help to keep our mission and vision strong.
- Please visit the GAMH website now on the web for you to explore at www.Galilee4MentalHealth.Church

AN ACHIEVABLE DREAM ACADEMY
(Seatack Elementary)

A
n Achievable Dream Academy at Seatack Elementary School began in 2014 and it is modeled after the successful Newport News program, which began in 1992. It is a partnership with the Virginia Beach Public Schools offering additional academic and extra-curricular programs. Students participate in AAD’s SAME curriculum: Social, Academic, and Moral Education. The students wear uniforms, shake hands with their teachers each morning, have a local member of the military assigned to each classroom as a mentor and model of character, and they attend classes in moral and social development.

In time, the program will extend from kindergarten through high school. The goal is for 100% on time graduation and 100% of the students going on to attend college, a trade school, or to join the military.

Galilee parishioners have an opportunity to volunteer with AAD in a number of ways.
- We can assist a teacher once a week with an extra-curricular Club activity.
- We can serve as Mentors meeting each week with a student and assisting with their academic work and spending time playing games and talking with them.
- Galilee members can provide Food Baskets for the Holidays and assist with the Bookstore.

This is a meaningful way to help our local community and our children in need.

The seasons summer, fall, winter, and spring are familiar to all of us. The Church has seasons, too. The Church year begins with Advent. The season of Advent begins on Sunday, November 27th. The word advent means “coming.” In the Advent Season we prepare for the coming of Our Lord at Christmas. We do this by preparing our hearts to receive Him. There will be special offerings during Advent to help us prepare our hearts so be sure to look for information in the Net.

There is a Nineteenth Century Hymn that helps children remember the seasons of the Christian Year. Written in 1888 by Katherine Hankey, this hymn was included in the Episcopal Church’s hymnal of 1940.

Advent tells us Christ is near;  
Christmas tells us Christ is here.  
In Epiphany we trace  
All the glory of His grace

Forty days we will prepare  
With the time of fast and prayer  
And, with hearts made penitent,  
We many keep a faithful Lent.

Holy Week and Easter then  
Tell who died and rose again.  
Oh that happy Easter Day!  
Christ is risen indeed, we say.

Yes and Christ ascended too,  
To prepare a place for you,  
And so we give Him special praise,  
After those great fifty days.

When He sent the Holy Ghost  
On the Feast of Pentecost,  
With us eve to abide;  
Well may we keep Whitsuntide.

Last of all, we humbly sing  
Glory to our God and King,  
Glory to the One and Three  
On the Feast of Trinity

I hope you have a blessed Advent Season.

The Rev. Kathleen M. Bobbitt

CALLING ALL GALILEANS

2 CORINTHIANS (ESV) “And God is able to make all grace abound to you, so that having all sufficiency in all things at all times, you may abound in every good work.”

One of the better corporate catchphrases that I recall is from Monster.com, the job-finder website: “Your Calling is calling.” So what is your calling? Where is God’s grace leading you? How do you know your calling, and how do you answer the call?

We are finishing our study of Second Corinthians in the 9:00 AM Sunday School class. This is an intense bible study class, and one of many offerings on Sunday mornings at Galilee. Some of Paul’s writings are cryptic and difficult to unpack; but in the context of Paul’s life experience, travels, and the churches to which he wrote, his epistles reveal powerful truths about effect of God’s grace in our lives. Ron Morrison, who leads the class, is one of many that have answered a call to bible study in our church over the years….and is a blessing from God.

For each of us, this call is unique. I’m no expert in this field, but in the summer of 2013, I received a “business” call from God which I answered. By God’s ample grace, I have been fortunate to succeed, thus far, in this enterprise. As with Paul, this work is incomplete – and requires steadfast effort, patience and [a long list of] other virtues, which I would be helpless to continue without God by my side.

To repeat, I am no expert in the field of answering calling from God. I am grateful to God, however, that 50 [or so] years of attending Galilee Church has brought me into a relationship with God that I might not otherwise be in. I fondly recall many memories of my life at Galilee, including confirmation, the youth group, the priests, being married at Galilee, baptism and confirmation of our children. But all of this fades in light of the people who I have met and known at Galilee, especially other men (and women) who mentored me by their exemplary, grace-filled, Christian lives. Several are no longer with us, and have passed on to the glory of God.

But each year, Galilee harvests a full crop of sanctified believers, givers and doers.

Individually, we are called to mentor, to befriend, to love, to care, to give, to work, to pray, to attend, to live with joy and endure sorrow, and to raise glory to our Creator and Savior. Collectively, we are called to sustain God’s church at Galilee. Keep the ball rolling, and make way for the next generation of Galileans, and to help us hear, and answer, our calling.

ACTS 20:32 (ESV): “And now I commend you to God and to the word of his grace, which is able to build you up and to give you the inheritance among all those who are sanctified.”

Richard Corner,
Junior Warden

What Happened here in October?
We started the month off with an adventure taking the students white water rafting in West Virginia. We took a group of 18 students and leaders which was an absolute blast. It was a great time of team building and fun. What was even cooler to me was that while we were driving back an incredible core of volunteers had middle school youth group without us. I heard it was “the best youth group ever”. It is so exciting to get to see volunteers who are mostly parents jump in and the kids have an absolute blast. God is working in this group!

Hurricane Matthew Cleanup
Our High School small group has been talking about the gospel in life. When Matthew hit our leader Duff McDuffie had a great idea for us to put into action what we have been talking about by serving others. So we called different parishioners to see who needed help with yard cleanup and went to a few homes. One of those homes was the Meredith’s house and our students loved getting to talk to them. In fact they didn’t stop talking about how “cool” they were. Our students were blessed more than the people we went to help.
