

Warsaw Missionary Church

2019 Ballot

Member

Non-Member

Nominations from the floor are not allowed during the Congregational Meeting, but you may nominate someone in advance by giving their name to a Church Board Member as soon as possible.

Our denomination says that only members are allowed to vote in the Church's business meetings. We value the non-member's opinions also, and therefore offer a non-member ballot so we can get each person's opinion.
