

Pick-up Game Phase and Huddles

Huddles are the small gatherings that happen during the Pick-up Game phase of Westlight's Game Plan. Below are instructions on how to have a Huddle taking into consideration individual and community comfort level and safety as well as our desire to gather in-person.

Huddle How To's:

1. Invite 1 or more people over [complying with the CDC and local health orders].
2. Ask invitees to RSVP [we don't recommend walk-ins].
3. BEFORE you meet, discuss and agree on Huddle protocols [vaccinated/unvaccinated, masks/maskless, social distancing/no social distancing, physical greeting/no physical greeting, singing without mask/singing with mask/no singing, food and drink/no food and drink, cleanup and setup, restroom, etc.] If we differ, let's be humble with our own choices and honor the choices of others. This is a no judgment/no criticism zone.
4. DAY OF, have fun and stick with the agreed upon protocols.
5. If you or someone in your Huddle has been exposed to or tests positive for COVID, let the people in your Huddle know.

Game Plan is subject to change based on local or state guidelines and mandates.
Please check <http://westlight.org/covid-updates> before you meet.
