From Hope's Heart:

There is a story that I love to tell any time I get the chance to speak about Kirkwood. It is a story of faith, of failure, of God's incredible mercy and grace, and ultimately of redemption. When I had been at Kirkwood about 2 years, Pastor Sung and I went to have dinner with David and Emily Johnson. We hatched this crazy idea to start an informal worship service that would be at 9:45 on Sunday mornings. The Session at that time, without hesitation, approved the idea and so within weeks Pastor Sung and David stood in front of a small group of people with their guitars and an overhead projector. Although we loved being in ministry together, ultimately that 9:45 service fell flat and was disbanded. Pastor Sung was then called to be the interim pastor at another church here in town. And life went on.

A little while later, I was approached by someone who had attended the 9:45 service faithfully with his family and who was willing to help us give it another try. Your session was willing to try again also - which speaks to the amount of trust they had in God's Spirit working among us. The difference this time was prayer and preparation. It took quite awhile to re-do Pfrangle Hall with sound and audio equipment. We had to come up with a plan for the service beyond guitars and overheads. The concept of the Well is based on the story of the woman at the well whom Jesus went way out of His way to reach with the love of God. That's what we wanted for our Well - a place where EVERYONE would feel that there is a place for them in Jesus' world.

With the last minute addition of new carpeting donated by another member, a small band, and a plan to feed folks, everything looked good EXCEPT we didn't have a worship leader. I can preach, but Lord help us all if I have to sing. With two weeks until the launch of The Well, Pastor Sung completed his time at the other church and he returned to us to lead The Well team.

I have to confess that on that first Sunday I was terrified. I was worried that we were going to fail again. But, I was also encouraged because we had to ask folks that had long attended our traditional services to help us "seed" The Well - to give us 3-6 months of their participation and then they could return to the traditional service. The sacrifice that those individuals made at that time is still one of the greatest acts of faith that I have seen demonstrated in my time at Kirkwood. They came in spite of the music. They came in spite of the lack of formality. They came with all the chaos. And they didn't just come... They participated with joy. In those early days I would ask them, "why?" Every single one, many in their 80's and 90's, would say something along the lines of "my time here is short. I want this church to be around long after I am gone." What extraordinary generosity and personal sacrifice these saints of the church demonstrated for the sake of others.

On October 5, 2014, The Well was launched with 75 people. At that time, the sum total of children in our church from birth to eighteen was 11. Five years later we are in the middle of serious discussions about how to provide space for the ever growing number of worshippers at this service and honor the traditions of the other two services. In the winter months, we are at capacity with nowhere to go. And those 11 children? There are almost 60 of them now with more on the way. On October 5, 2014 there were 31 people (children& adults in Sunday morning education). Last week, there were 70.

Every once in a while I will get asked about how I feel about our Chapel and our Traditional service and tears will come to my eyes about how precious these services are and how they are such an important part of our church and how as long as I am the pastor and physically able to do all 3 services, they will remain. Why? Because these are the saints who gave up their lives for the sake of others so that The Well could be all that it is today. These are the disciples who had such a mature faith that they took the risk on something pretty big - not once, but twice. Without the Chapel, without the Traditional Service, there is no Well. The prayers that made The Well possible came from the hearts of the saints across the entire life of the church.

On October 6th, we will celebrate the 5th anniversary of The Well. And while I had thought about having one combined service that day, that would not honor who we are as a church, nor would it honor the intent of The Well to be a place where all can come as they are before the Lord. We are one church with three distinct services that is unified by our commitment to mission, to education, to care, and to worship of our Lord, Jesus Christ. Can you just imagine what God is going to do with and through ALL of us in the next 5 years? Get ready, saints, because the Spirit is on the move!

In the Grip of Grace,

a time to every purpose under heaven.”*

Autumn has begun even though it may not seem like it in Southwest Florida. We are looking forward to cooler temperatures allowing us the opportunity to spend a little more time outdoors. The finance team would like to say ‘thank you’ to everyone who continued to support Kirkwood with contributions during the summer. Our income has been slightly below our expenses during July and August, and we look forward to improving on that as we go through Fall.

If you would like to make a contribution, but are away, you may do so through our website listed below:

Thank you,

Elder for Finance

All four of my calendars concurred - Fall has arrived! September 23rd - first day of the season! But what's this? No sweaters, no steaming hot apple cider, no potatoes baking in newly raked piles of gold and red leaves? But I was assured by all four calendars that fall has arrived. I'm going to go with the calendars, they aren't quite as fickle as the weather.

The Fellowship Committee has been making some plans for fun times in the next few months. It's time to get together, share those times and maybe even share a little food. It just seems like food is always apart of our plans.

This year's church picnic has taken on a more festive name. Since it's planned for October 27th at Palma Sola Park, we're going to call it Oktoberfest. We'll supply the meats - hamburgers and bratwursts, the fixings for them and the drinks. (As a nod to Oktoberfest, check out an addition of root beer and birch beer in the coolers this year.) Meet at the pavilion at 4:00PM. Sign up sheets will go up October 6th.

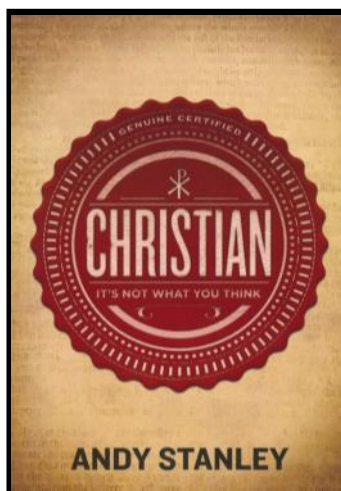

If you are a golfer, or fancy yourself as one, you're going to want to join other golfers at Greens on Manatee for a round of gold on Saturday, November 2nd at 8:30AM. Sign up sheets will go out October 6th. The sign up deadline is Sunday, October 27th. For more information, call Dianne or Don Dearth at (253) 905-2624.

Finally, save the date for a Christmas Dinner on December 8th! Plans are being made now for good food, singing, and great fellowship. More details as December looms closer.

As always, we are looking for help. We are great at thinking up plans, but always short on hands to pull off a successful party. Contact us if you would like to volunteer to help set up an event.

“CHRISTIAN: IT’S NOT WHAT YOU THINK”

NEW SUNDAY ADULT EDUCATION CLASS - BEGINS OCTOBER 20th

Join Jim & Terry Chastain as they facilitate a New Sunday Adult Education Class. This 8-Week Class is a casual study with video and discussion on Andy Stanley's book "Christian: It's Not What You Think" What does it mean to be Christian? Curiously, the term is never used in Scripture. Instead, Christian was a label used by outsiders to define Jesus' followers. Jesus referenced 'disciple' as the key word he used to describe his supporters along with the fact that they would be known for their love – a novel concept for their time – and ours today. Through eight engaging and enlightening sessions, Andy Stanley unpacks these qualities Jesus prescribes for his followers that made them unique. We will meet in the Parlor.

CIA* | **Church Intentionally Assembling**

I am telling you now, mark your calendar!

The CIA* will be looking for you this November 12th. We're not sending an agent to find you, so just show up in Pfrangle Hall for coffee and donuts at 10:00^{AM} on the 12th to meet face to face, eyeball to eyeball! So, what is Kirkwood's CIA*? I can tell you first what it IS NOT. IT IS NOT the secret cloak and dagger government agency infiltrating out lives together. It IS monthly shared experiences for the 60+ years crowd. Singles, married couples, men, women, visitors, new members, old members - anyone 60+ years. We're looking for shared experiences - lunches together, short trips around our area, "meet at the movies" days, sporting events. There is hardly a limit for what we can do together. This is a ministry of fun, camaraderie, and fellowship.

Show up, bring an idea or two on November 12th and our shared experiences will be off and running.

Presbyterian Disaster Response to the Bahamas

No one can imagine what the people of the Bahamas are going through right now. The rescue, recovery, and restoration efforts will take years. If you are looking to help in an immediate and tangible way, consider supporting Presbyterian Disaster Assistance (PDA) who will ultimately be the arm of the church that will go in to begin this difficult, yet Holy, work. You can donate directly through <https://pda.pcusa.org/> Or if you would like to give through Kirkwood, please make a check to the church, use an offering envelope and mark "PDA Hurricane Fund" in the 'OTHER' box of the envelope and on your donation check.

Stephen Ministry Update

Do you know that we are a Stephen Ministry congregation?

Stephen Ministry congregations equip and empower lay caregivers -- called Stephen Ministers-- to provide high-quality, confidential, Christ-centered care to people who are hurting.

If you ARE or would like to be trained as a Stephen Minister, please join us for our organizational meeting on Sunday, October 13th @ 10AM in the parlor. If you think that you might benefit from having a Stephen Minister, please contact Pastor Sung or Pastor Hope.

Explore Kirkwood

If you are new to Kirkwood or if you'd like to know more about becoming a member of our worshipping community we'd like to invite you to get to know us on Sunday, November 3rd @ noon for lunch and a time to learn about what we believe, how we practice those beliefs, how we share in mission and ministry, and how you can be a part of it all. Please sign up today or RSVP to the church office at 941-794-6229 or office@kpcbradenton.org.

*Childcare can be provided, if necessary.

Do You CARE?

Having a personal connection is one of the keys to having a thriving church life. All throughout Kirkwood we are constantly looking at ways to connect our church members. We are in search of some additional team members for our Kirkwood Cares team. Kirkwood Cares' goal is to make sure that every individual and family connected to the church has a person who is keeping up with them throughout the year -- checking in on special occasions, being available for questions about church life, and being there to communicate with the pastors about needs such as illness, surgery, and other major life events.

At this time we still have a list of 30 individuals/families that we'd like to get connected to a Kirkwood Cares team member. We will provide you with instruction and training. Most team members are assigned about 15 individuals/families, but some team members take on 2 or 3 folks. Every person to person connection matters!

Please contact Pastor Hope at 941-794-6229 or hope@kpcbradenton.org if you are ready to care!

Stephen Ministers: The After People

People often ask, “What exactly is a Stephen Minister?” One way to put it is that Stephen Ministers are the *After People*.

Stephen Ministers are there:

- ... *after* the phone call you hoped you'd never get.
- ... *after* the funeral, when everyone has left and the emotions you've held at bay come crashing in on you.
- ... *after* the relationship falls apart and the bottom falls out of your life.
- ... *after* the doctor says, “I'm sorry, but there's nothing more we can do.”
- ... *after* the nursing home director shakes your hand and says, “Welcome to your new home.”
- ... *after* the last child honks the horn, waves, and drives away—and the house suddenly seems empty.
- ... *after* the gavel comes down, the handcuffs go on, and your loved one is led away.
- ... *after* the baby arrives, demanding more of you than you ever dreamed possible.
- ... *after* you find a pink slip with your final paycheck.
- ... *after* your family and friends have heard your story one too many times, but you still need to talk it out.

Stephen Ministers are the After People. They are ready to come alongside you—or your friends, neighbors, coworkers, or relatives—and provide comfort and support for as long *after* as needed.

AN IMPORTANT UPDATE FROM THE SESSION & VISION TEAM

Dear Church Family,

As previously shared, we have been working hard over the summer to finish what is professionally called a "Space Utilization Study" with Fawley-Bryant Architects. A space utilization study is the very first, preliminary step needed to determine if we are using the current space that we have to the best of our abilities.

On October 6th, The Well will turn 5 years-old and has pretty much reached its capacity. At this very moment, every classroom in Pfrangle Hall, plus both sides of the church parlor in the main sanctuary building are in use every Sunday morning for children, youth, and adult classes. Essentially, once the choir starts up in October, we are out of space on Sunday mornings.

We had originally thought that the answer to these challenges would be a renovation to Pfrangle Hall. By early summer, the evaluation from Fawley-Bryant helped us to conclude that a renovation to Pfrangle Hall was not worth the expense in comparison to the benefits that we might gain - quite literally less than 200 square feet of additional space. The session asked Fawley-Bryant to go in a different direction that involved looking at the main sanctuary space.

The goal of the study at that point was to create a concept for a single worship space for approximately 400 people. The space is to accommodate the needs of all three services and provide flexible space (including flexible seating) for a variety of other uses. The traditional service will require space for the choir, and The Well service will require space for the band and a breakfast serving area. We are also in need of additional classroom space. Maintaining the overall architectural integrity of the main sanctuary and accomplishing the program goals with as minimal amount of construction as possible is desired.

At the Session meeting on September 9th, Fawley-Bryant presented several concept ideas. At this point, the Session and Vision Team need to sift through those ideas and come to a cohesive plan that we can then bring to the congregation for input. We are hoping to be able to do this by late October/early November.

The goal of this phase of work was to professionally determine if we are using our space to the best of our abilities and, if not, how we can go about doing it more effectively. The result is that we have been doing the best we can with what we've had, but the time has come to plan for the future as we continue to grow.

We are excited about what God is doing at Kirkwood! And while we know that the process is lengthy and that we don't have all the answers at this stage, God is in control and the Holy Spirit will guide our steps! We look forward to everyone's participation in the coming months as we move into this new chapter of our worship lives together.

In the Grip of Grace and on Behalf of the Session & Vision Team,

Mission Cart Collection

The estimated value of our Mission Cart collections through August is \$6,700. If you can't pack a shoebox in our participation in the **Operation Christmas Child Shoebox Ministry**, consider contributing to the shipping costs fund. Each box requires \$9 to cover the shipping expenses. Your donation insures that another child gets a gift and learns about Jesus! (See Page 10)

Our next **Two Cents A Meal** collection will be on October 27th. Remember that one third of our coins goes directly to Our Daily Bread and two thirds go to our presbytery for their distribution to hunger relief efforts in south Florida and globally. Kirkwood has collected over \$1,300 for Two Cents a Meal so far this year.

Our Daily Bread

During 210 hours, 84 Kirkwood volunteers have served 1473 Sunday lunches at Our Daily Bread. Sign up to help our next scheduled Sunday on October 27th!

New Members

Maureen McCulloch

28 years in the Bradenton/Sarasota area, Maureen is a retired RN originally from Montreal, and has lived 5 years in New Jersey. She is very active in the community, dedicating much of her time to volunteering at H2U, the Van Wezel, at the monthly Our Daily Bread, and Manatee Memorial Hospital. Maureen began attending Kirkwood after initially visiting a service with member June Krogoll. She can be found attending The Well service.

Judy Hasch

Judy moved to Bradenton from Michigan in 1982 for work in IT. After retiring, she wanted to be active in the church, and served as treasurer for St. Andrews Presbyterian Church in Sun City for 18 years. She began attending Kirkwood with her daughter and son-in-law Dianna & Dominic LaMilza. She has become involved with the Crafty Cut-Ups, but is currently traveling around the world!

Dianna & Dominic LaMilza

This couple met while working together for the Johnson Smith Company. Dianna and Dominic have been Floridians since coming down with Dianna's mother, Judy, from Michigan in '82. Neither felt quite satisfied with their search for a new church until they tried Kirkwood and felt welcomed by the community. If you would like to say a warm, "Hello", you can find them at the 8:00AM Chapel service.

How to get involved...

With so much going on at KPC we know that it's hard to keep track of who to contact in order to get involved with our church. We hope this list will give you a place to start and we promise that if you reach out, you will get a response to get connected.

Kids Konnection

Although Fall officially arrived on September 23rd, it still feels like summer here in Manatee County! When temperatures are so high, sometimes we need to create the season. Here are a few ideas of things you can do with your family to help the Autumn mood settle in:

Paper Bag Journals

Give each child a paper lunch bag and get outside! Head for your backyard, your neighborhood, the local park, or one of the county's wonderful preserves. Use this bag to collect items from the spot you chose (pinecones, colorful leaves, acorns, etc.). You can add to the fun by turning it into a scavenger hunt!

Have a Backyard Fire

This is a great way to spend quality time together as a family. There are lots of things you can do around the fire, such as telling stories, sharing favorite vacation or summer memories, roast marshmallows, make s'mores, sing, or just sit back and relax in the company of your loved ones!

Make a Pie

The classic autumn staple is the classic apple or pumpkin pie. Get into the kitchen with the assistance of little helpers to assist you in measuring and pouring ingredients, roll the dough, and fill the pie crust. While the pie is baking, you can brainstorm on who you'd like to invite over to enjoy it with; or you can use that time to play some word games - what rhymes with pie? Make up a silly poem!

Make a Gratitude Tree

Find a nice looking branch. Spray paint it a color of your choice and "plant" it in a large pot of soil. Spend time together cutting out small leaf shapes from construction paper and place the leaves in a basket with pens or pencils and a roll of scotch tape. A few days each week, throughout October and November, a family member writes on the leaf that which they are grateful for, then add it to the tree. On Thanksgiving day, read off the items and bask in the joy of gratitude!

May your fall season be filled with memory-making merriment with your family and friends!

Blessings,

**Diane Ingram
