Northeast Asia

PRAY!

NORTHEAST ASIA

REACH OUT!

Overview:

The 7 countries of Northeast Asia are lands humming with action. China, Japan and South Korea have economies that are growing at rates that almost defy imagination. The 21st century could easily be the time when Korean and Chinese missionaries take the lead in reaching the world for Christ. Presently Korea is the second largest sending base in the world and is preparing to celebrate the 100th anniversary of the great Korean revival of the early 1900’s when Pyongyang (A) was known as the “Jerusalem of Asia.” But China may soon catch up and surpass them because of their “Back to Jerusalem” vision to send Chinese missionaries back along the old Silk Roads carrying the gospel back to Jerusalem. Also, this is the first time when Mongolia has had a lasting church and they too are already sending missionaries to other nations. Yet, 492 people groups in Northeast Asia remain Least-Reached. North Korea, Mongolia and Japan remain formidable challenges with over 95% least-reached. But China itself, although only 14% of its population, has 427 least-reached peoples remaining to be reached with good news! God’s time for Northeast Asia is now!
