**Need more time with God at home?**  
**Here's a suggestion....**

Download the "First 5" app by Proverbs 31 Ministry to your phone. "The vision of First 5 was developed by Proverbs 31 Ministries in order to connect your heart to God's Word the First 5 minutes of your day. First 5 will greet with you a short teaching first thing in the morning, so you can exchange whispers with God before shouts with the world."  
 - Proverbs Ministries.

*"The app is quick and easy to use. Through the devotions and Bible readings I have grown closer to God and it has encouraged me to get into the habit of reaching for the Word before giving the world my full attention."  
 - Shellie Daniels*
