

Love Life Prayer Walk Code of Conduct

All participating with *Love Life* are required to operate under this Code of Conduct.

***Love Life* exists to stand for truth and intercede for the unborn through prayer. As we walk and pray, may the love of Christ Jesus be evident in our countenance, attitude, and interaction with one another.**

"Let the words of my mouth and the meditation of my heart be pleasing in your sight, O Lord my Rock and my Redeemer!" Psalm 19:14

We ask you not to engage with anyone at the abortion center. If you prefer more interaction and believe that is what you're called to, you can receive proper training through one of our partnering ministries.

Love Life prohibits the possession or use of firearms or weapons except as state and local law allows.

PRAYER

We are to glorify God in every way. Through our prayers, we believe love will overwhelm death in our city. Our role is simple - to stand in the gap and be a voice for the voiceless, as we cover our city in prayer.

TRUTH

We are here to stand for truth. Through our intercession, we believe the truth of God's word will be released in our city; the truth that every unborn child is a life marked with an extraordinary future.
