Robin opened in prayer at 6:33pm.

Time was spent sharing concerns which was followed by prayer for family members, friends, and the GCC church congregation.

Updates were given on elder meetings with staff and directors.

Wheaton professor Michael Lee will be leading the staff and elder retreat at St. Mary's in Mundelein on February 21st and 22nd, 2020. Michael is a former member of GCC.

Discussion continued on the 160th anniversary plans. Three people responded to the call for volunteers with the history room project. Betty Holleman and Robin will meet with these volunteers to explain where items for the room are located. A kick-off for the anniversary celebration will begin at a February luncheon. A "Tree of life" was discussed as a possible way to commemorate the many ways the congregation of GCC has grown in life and mission.

Robin will meet with Fran before the January 7th meeting of elders regarding Chris Stephens's senior pastoral review. They will organize the surveys by congregants.

Amy summarized the December 8th director's meeting.

Amy closed in prayer at 7:55pm.

The next meeting of elders will be held on January 7th in the GCC chapel at 6:30pm to prepare for the senior pastor review. Chris Stephens will not be attending.

Respectfully Submitted,  
Amy Gibes
