**36% of Christian women and 25% of Christian men will be victims  
of physical abuse, rape, or stalking in their lifetimes.**

Pastors and teachers are mandated reporters and are required by law to report certain abuse. Join us for a half-day conference which will educate, equip, challenge, and inspire you to address the very real tragedy of domestic and sexual abuse in our churches. Learn what domestic abuse looks like, the effects of abuse, the legal requirements for pastors, the effects of silence, and what the Bible has to say about how to protect those who are vulnerable and how to hold abusers accountable.

THANK YOU TO THE CO-SPONSORS
