

GCC Preschool March 2018

We would like to thank all our families who attended our 24th annual Family event! Friday Fun Night was a huge success! It was a great night for us to visit with everyone and we hope all of our families had fun a fun time!

The children worked really hard on their Valentine cards and enjoyed delivering their special cards to their friends at school. We had a great party day! The teachers also would like to express their appreciation for all the cards and goodies we received for Valentine's Day! THANK YOU!

Hopefully spring will arrive sooner than later and the children won't have to wear all those layers of clothes to school anymore! They have been doing a great job with hanging up their own belongings and zipping and snapping up their jackets, so please help them keep it up!

Self-help skills are just as important as their fine motor skills, especially if your child is entering Kindergarten next year.

Final screenings on the children will be taking place in preparation for our April Parent-Teacher conferences. As always, if you have any concerns please see one of us anytime.

Important Dates and Units of Study

- Letters: Tt-Uu-Vv-Ww
- Weather/Spring
