Pastors Nook

Dear family,

As one year ends and another begins, columnists and commentators look back at the previous year. What changed? What stayed the same? Whose passing did we mourn? Whose new arrival did we celebrate?

At the same time, we make predictions about the coming year. What will the new year hold? What will change? What will stay the same?

This year I want our family at FJC to occupy our hearts and minds with two thoughts. The first is built on several references of scripture where the Lord gives His people this confidence: If you give your plans over to Him He provide what is needed to bring them to fruition. The second is this: God's favor truly sets me free. So much so that the law cannot possibly find any fault in me.

Let me challenge you with this idea: If we COMMIT our ways to the Lord He will bring the success. That word commit in the Hebrew tells us to completely "ROLL" our plans over to God. That means we place them completely in His care to trust that He will bring about the success.

My question for you to ponder is this: As a Member of FJC how can you aid us in this commitment?

Secondly, I don't believe that God wants us to see His grace as a nice addition, or something that is just good but rather His grace is the real deal! In fact the Psalms tells that God roams around looking for people to lavish His favor (Grace) upon. I want you to know that you... that we are that people. Do you trust that you are that person as well?

This year lets put our plans in Gods hands and trust that He will bring them to fruition and in the process lets dedicate our thinking to the grace that God supplies in abundance to each and every one of us.

Love you all,
Pastor Ryan

Prayer Requests

- ⇒ Pray for our country as we enter 2020. This will be a challenging year. Pray that people who don't know the Lord would hear and give their hearts to Him.
- ⇒ Winter time is a time when illness abounds. Please keep those who are sick in your prayers.
