## OUR VALUES

(the principles that guide our decisions & direction)

### JESUS IS OUR CENTRE

We align our lives and ministry completely with Jesus' teaching and example.

### RELATIONSHIPS MATTER

We live in community to better express Jesus' love and care to one another.

### LOVE IN ACTION

We serve others through practical acts of self-giving kindness, love, prayer & encouragement.

### CHOOSE GRACE

We connect to God by His grace alone & so we offer grace to others & refrain from judgment.

### NO MASKS

We strive to be authentic about who we really are; our brokenness and our need for God's love & restoration.

### NEW FRIENDS FIRST

We prioritize welcoming & connecting with newcomers so that people can belong before they believe
