

THURSDAYS

Thursday Morning Ladies' Bible Study: Significant

Description: *How can you walk by faith in the face of uncertainty? There's a big difference between living a life trusting in the fake stability of the world and living a life of significance with an unshakeable God. We've all gotten the wind knocked out of our sails, but, it's time to keep sailing. In this study, you will learn from scripture how to: Dig in your heels with tenacity when you feel like giving up; Worship instead of worry when life throws you curve balls; Quit living skin-deep by cultivating the inner beauty of trust in God. Come along with blogger, pastor's wife, and author Rachel Risner for this journey. Walk alongside real women of the Bible through their struggles and successes, and discover how to become a woman of significance.*
