

# **Cheshire UMC Committee Fair**

## **Sunday, October 12, 2025**

### **Immediately following Worship**

Want to get more involved in our church, but not sure how? Well, here is your chance to get an up-close look at our committees and see what they do to serve our God, Church and our communities.

Immediately following Worship, each committee will have a table set up in and around Fellowship Hall with information about the committee, how they serve our Church and volunteer ways to get involved. There will be printed information available for the taking, giveaways, treats and more.

Don't miss this fun, informative Fair and see where God might lead you!
