

CHESHIRE UNITED METHODIST CHURCH

VOLUNTEER COVENANT

I accept the privilege and responsibility of leading in the Christian Education program of Cheshire United Methodist Church. I acknowledge that it is a vital part of the journey to faith maturity of the children, youth, and adults in our church. With this understanding:

- I will make every effort to be present and prepared every Sunday
- when I am unable to be present in a class of minors, I will ensure that there is another adult present to support my teaching partner
- I will ensure the safe and caring environment that is essential for Christian growth and development.
- I will protect the emotional, physical, and sexual sanctity of the children, youth, and adults in our church.
- I will be a responsible steward of church resources and facility.
- I will obtain parental consent when planning off-site activities for minors.
- I will seriously and prayerfully consider my position as role model and example to the participants.

With God's help, I will fulfill the responsibilities of this Volunteer Covenant.
