## GUEST SPEAKER Melinda Scott

Melinda and her husband, Jim, have served as senior pastors in Norwalk and Orange, California, and as district supervisors in Southern California, New England, and the Northeast region. They are well-known throughout the Foursquare Church for their involvement with and love for missions, and she is now Pastor of Personnel for Foursquare Missions International.

Melinda is passionate about providing opportunities for women to find their place in ministry and is called to nurture relationships of love and respect among all ethnicities, between men and women, and across generations. She is a gifted storyteller and wants all of us to listen with our hearts to the heart of God.

One of Melinda's high callings is as caregiver for her mom, Charlotte, who has lived with Melinda and Jim since she suffered a massive stroke in 2001. Though Charlotte cannot speak, she is making a bold impact for God's Kingdom.
