VMissions is in the process of changing our name. As a mission sending agency, we want to reflect the new things God is doing and the growing, diverse networks of those who serve with us and those who support our ministries. This process began in January 2025 after several years of conversations, and we are currently assessing two name options with focus groups made up of our partners and stakeholders. To learn more about this process, visit vmmissions.org/name-change/.
