At the outset of the 21st century, what was called the New Atheism was in ascendancy. Recently there has been what some have called a rebirth in belief in God. How do we as Anabaptist Christians see this shift in our culture? What implications does it have for us?

Feb 25: What are the cultural shifts in the last few decades in relation to Christianity?

Mar 4: What does Anabaptism have to say about this?

Mar 11: How then shall we live?

Come and join us three Wed evenings to dive into these topics together! Enjoy a short teaching, discussion, fellowship and snacks. (Forum flyer as [PDF](#))
