Dear Supporting pastors and churches,

Greetings in the name of the father and the son and the Holy Spirit

We grateful to God and all of you for your prayers and support.

By the grace of God and your prayers cross mark is 10 years old this January. We will be having an anniversary service to thank God for his goodness mercy and protection. We thank you all for the part you have played in supporting in any way to make this possible. As we look at the years ahead we ask that you pray for us so many more churches will be stated in the next ten years and the two new missions will develop in a full blown church we thank you.

Your in the mission field

We wish you all a happy new year
