

Dear Pastor and Supporting Churches,

Greetings in the name of our Lord and Savior who has made us meet to be partakers of the inheritance of the saints. We thank you for your prayers and support which has kept us on the past ten years. So soon 2018 is coming to an end and we are grateful

The church and family are doing well though the economic challenges in the country has affected attendance but we will finish the year strong. The children are doing well. we are also grate to God for Tenth wedding anniversary and the lives of our three children and all the support from you all to our family

We are getting ready for our Christmas program which includes an outdoor film show, three night open air preaching in three different villages and a skit by the children service. We also hope to feed the kids of the community on the 26th of December something we have been doing for the past five years last year we had over 250 kids pray that we can get the gospel out to these children and also if you can help in any way it will be much appreciated as we are expecting 300 this year.

The leadership and the Bible College and school ministries are doing well. We preach to 300 children every week in two schools. This year we have also visited some prisons to share the gospel and distributed Bibles. A ministry we are considering.

The two new missions are also coming up well, I will be preaching there 9th and 16th December to end the year over there to come back to Crossmark for the Christmas activities and program we look forward to next year and how the Lord will use us.

We thank you all and wish you A

MERRY CHRITMASS AND A PROSPEROUS NEW YEAR

THANK YOU
