

# the ALBERT FAMILY IN WALES

MINISTRY UPDATE FROM PRESTATYN WALES

Sept & Oct 2018

Things have slowed down for our ministry since summer, as it always does. Praise God Leonard's health is better which opened up a door of ministry for us. We are no longer helping him with his youth group Friday nights; so we started what we thought was going to be a youth group. But it has turned into a family outreach. We have two families that come to our church, and we started a game/fellowship night every Friday. This is helping us to build a relationship with both families. We are also seeing both of these families get to know each other better.

Danny has stopped coming so we are praying that he will come again some time soon. We have also started postcarding again. In the past we have had many visitors because of postcards. Pray that we can reach people seeking the Lord.

We have been busy since our move adjusting to our new house. The location is perfect! We are able to walk into town which I believe will open more doors of ministry. Several have given towards our higher expenses, and we thank you for helping. I finished up the book of Philippians, and I was reminded that the Philippians gave to Paul and his ministry. Paul reminded them that their giving was a sacrifice to the Lord. He was thankful for their giving, but he reminded them that the reason he received joy was because they were laying up treasures in heaven with their sacrificial giving. (Phil 4:15-20) I constantly remind our church that when we give to the Lord's work we are laying up eternal treasures or fruit that abounds as Paul calls it!!

Thank you for allowing us to be used of the Lord in Prestatyn Wales.

Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:
