ALBERT FAMILY IN WALES

MINISTRY UPDATE FROM PRESTATYN WALES

Nov & Dec 2018

Ministry has been busy as we are preparing for the Christmas season. Many will come to church out of tradition or obligation to family members; so we invite people and take this opportunity to share the love of Christ with them. Mary hosted her annual ladies craft night at our house. She had a great turn out with many coming for the first time. This is a great way for Mary to build relationships and share the love of Christ. I also began a men's prayer time every Tuesday morning at a local restaurant. The men of the church come together to pray over the community and for the church. Recently, I have attended a local walking group with one of the men from church. As a result of this, I'm running into more people in town that I have spent time with walking and talking. This has been a great time to talk about why we are in Wales and invite people to church. Our Friday fellowship is also going great.

Recently I was able to help Leonard with a school assembly. There were over 400 kids in attendance. This was a great way for me to see another ministry possibility here in Wales. Religious assemblies are required by law here so the schools are always looking for churches to present at these assemblies.

We are preparing for our Christmas service and for a community outreach on the 23rd. We are having a Christmas Family Party in the evening where we will make crafts, play games, and give a gospel message. I have been given permission by the local schools to give fliers to the kids to take home for this event. There are 1,692 students here in town!! Pray with us for these opportunities. We're hoping to use the schools as a way to promote our Family Fun Day activity in the summer as well. Exciting things are happening here in Wales!!

2 Thessalonians 3:1
Finally, brethren, pray for us, that
the word of the Lord may have free
course, and be glorified, even as it
is with you.
