

the **ALBERT FAMILY IN WALES**

June-July 2018

Praise God for his provision and for the ministry that he has given us. As one area of ministry slows, another gets busy. I feel as though we are going a hundred miles an hour. **Thank you for praying for Leonard and his ministry in Colwyn Bay.** Leonard is back to running all his ministries which has allowed us to help two other missionary families. One in retiring and moving back to the states and one coming from the states and getting settled in Wales.

The Orrick family that were at our church in 2009 were instrumental in sharing the burden of Wales when we surrendered to missions. Through them God laid Wales on our hearts and it is awesome to have the opportunity to help them settle into North Wales. We are also excited to have another family that we can fellowship with and help share the Gospel in this area.

This past Sunday we had a family from Ireland visit our church. It was encouraging to have more kids in service and to talk with and share how the Lord is working there and in Wales. With Prestatyn being a resort town, we get many visitors over the summer. This is also our favorite time of the year. It gets light out at 4am and stays light until 10:30pm. We even had weather in the 80's this past week. Im reminded that the rain will come soon enough.

John has joined the church and Dave and his family are still faithfully coming. Pleas keep praying for Dave's family and their need of Jesus.

We have a group of 35 coming from Beacon Baptist Church in Taylor, MI, July 11-17th. They are coming to help with a community outreach and help Leonard with repairs at his church. **Pray with us that this outreach will be a success and that we will have opportunity to share Jesus with many people.**

We have found a house in Prestatyn that would meet our needs, but it is quite a bit more than our current house. We need \$800 more a month or \$9600 a year in support to be able cover all our bills. We cannot come back to the states to raise more funds because we are working on indefinite leave to remain visas. I'm asking if anyone can help for a couple reasons: first, **rent prices have gone up in this area, and less houses are available to rent** because of things the govt is doing to discourage people from owning multiple houses in the UK. Second, **we use our house for homeschool, church office, church storage, midweek bible study, fellowship and outreach.** Therefore it is especially important for us to be in town. There are no houses available that fit our needs and haven't been since the house we are renting was listed on the market. With our house now being listed to sell we don't know when we will be evicted. **If you are able to help us you can do so by giving monthly or by giving a one time gift that will be used towards rent etc. You can give through the missions office as listed at the bottom of our letter. Thank you in advance to anyone who can help!** This seems like a lot but we know God is faithful and is working here in Prestatyn.

2 Thessalonians 3:1
Finally, brethren, pray for us,
that the word of the Lord
may have free course, and
be glorified, even as it is
with you:
