

the ALBERT FAMILY IN WALES

MINISTRY UPDATE FROM PRESTATYN WALES

August 2018

The group from Beacon Baptist Church in Taylor, Michigan was such an encouragement to our family and church family. We were able to get projects done for people in our church, paint our community center, help a national pastor with projects to keep his doors open, and have a successful community outreach where we gave out over 50 gospel tracts and church invitations to families that attended. The Family Fun day event was a huge success with over one hundred people from the community attending!! We had several visitors in church that Sunday and one young man named Danny has been coming consistently since. Pray for Danny as he seeks the Lord. Pray also for Dave and his family as they continue to come. Pray for there to be many more visitors as a result of our community outreach and pray with us for other ways that we can reach our community.

Family Fun Day

We were just informed that our house has sold and were given two months to move out. Through God's grace we have a house to move into! One thing we have noticed is how much rent prices have increased. We need to raise more support but cannot come back on a furlough because we are trying to get our Indefinite Leave To Remain Visa. If you are able to help in prayer or by giving we would appreciate it.

We appreciate your faithful prayers and sacrificial giving so that we can be your hands and feet here in Wales!! It is easy to get discouraged, but I'm reminded that the Lord never said serving Him would be easy. Paul reminds us that our labor would never be in vain. 1 Cor 15:58

Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:
