

Greetings from
Kevin and Pam Barthel,
Missionaries to the
Native Americans of
Arizona

Dear Pastor Grieme and Friends,

As we approach Thanksgiving, we especially want to thank you all for being such a vital part of our Lord's ministry in the San Carlos Apache Reservation. We want to thank you for partnering with us by praying for us and our people and for your financial support as well. Thanks be to God, from Whom all blessings flow!

Fall Happenings:

- A lady visitor trusted Christ in August and has been faithfully attending services.
- We went back to the Midwest in August to visit Kevin's parents (in their late 80s) and sister and our kids and their families.
- We took our teens to West Branch Teen Rally for a blessed time together in September.
- One of the guy's (in our church) teenage son was critically stabbed, but he has recovered. (He needs to come back to the Lord.)
- I (Kevin) was asked to speak at a San Carlos Suicide Prevention Awareness Conference and was able to present Christ as our Hope of Salvation.
- We had our 10th Annual Missions Conference in October with Pastor and Mrs. Eugene Nichols from Virginia. All our hearts were blessed with a greater burden for worldwide Missions!
- Our "Twinkies" (ages 10-12) and Teen ministries have been going well, too, and keep us very busy!

Answered Prayers:

- The young family (J & A) mentioned in our last letter are still faithfully attending and growing in the Lord.
- Our folks and kids continued desire to grow in the Lord is such a blessing.
- The lady who was saved is growing as well.

Prayer Requests:

- "V", one of our dear teens, continues to struggle spiritually. Please pray he will return to the LORD.
- The young man "I" (who recently finished his jail sentence) is struggling spiritually and needs much prayer.
- Please pray for those involved in the Globe, AZ, bar shootings. Three people were killed. Pray for people to turn to the Lord through all this, for the racial tensions the incident has caused and for everyone's safety.
- Pam really had a bad case of the flu (bad eye infections, gastro-intestinal and URI symptoms). She needed to make a visit to the Emergency Room for her eye infection. She has just finished antibiotics (for 3 weeks). Please pray for her continued strength and recovery.
- Please pray for San Carlos as there have been 12 deaths in the last 10 days. (All those who died were between 19 and 46 y/o except for one.) One was a teen suicide.
- Please pray for all our upcoming events during the Thanksgiving and Christmas seasons—for many to be saved, for repentance and growth of those away from the Lord, for good health and safety.

Thank you again so very much for your generous and faithful love and prayers. Thank you, too, for your support of \$75.00 for each of the months of July, August, and September. May the Lord bless you abundantly! May you also have a very wonderful Christmas together remembering the "unspeakable gift" of God's Son to us!

Love in Christ,

Kevin and Pam
