Megan Edwards (standing in doorway) passed into glory in June and was a faithful helper in our teen ministry at Bethel Baptist Church in Llay. Teens are playing balloon volleyball.

Scripture cards of encouragement Mary handed out on her hospital ward.

Then they that gladly received his word were baptized: and the same day there were added unto them about three thousand souls.

Acts 2:41

Thank you for your prayers and support!

**Pastor Robertson and Central Baptist Church,
May the Lord bless you in your summer ministries!**

**In Christ,
David Campbell**

Update: Holywell

We thank you for your faithful prayers and support to our ministry here in Wales. We have slowed down a little bit this summer as Mary recovers from a complete left knee replacement. The surgery was done on the 4th of July (of all days) and was a success. While in hospital, Mary met a Christian nurse (a rare thing) and was able to share some encouraging words from the Bible with other patients on her ward. She handed out cards which the ladies at our Wednesday Coffee Morning prepared (pictured left). It is a long road back as many of you know – however, she is meeting new people in her physiotherapy class!

We held a children's **Craft Morning** in June and had 7 young people come out. We are praying that their enthusiasm will spread and

First Baptism!

I will be performing our first baptism here in Holywell at the end of July. Tim has been coming to our services for a bit over a year and continues to be excited about learning about the Bible and our Lord. He was converted a couple of years ago but had not really started growing until he came to Bethel. He has realised that he needs to be obedient in being baptised and wants to formally join our church – Amen! He

we will see that ministry grow.

As I mentioned in our last prayer letter, I was able to teach a Religious Education class in the local High School for two different classes, the first had 10 students but the second class had about 25 students in it. Though the first class was reserved, the second class started asking some very good questions at the beginning of the lesson which perfectly led into the presentation on "How we can trust the Bible." After sharing the evidence, their questions changed completely and they started asking about faith when time ran out. The teacher wants me to come back but it will have to wait until the autumn as the school is being assessed by the Welsh Government through the

helped me clean out and repair the baptistry (the last thing on my chapel renovation list) which we have now painted and it is ready to go! I have also contacted the local newspaper to see if they will send a reporter as this is a significant milestone for us and for the chapel. Keep Tim in your prayers as he continues to follow the Lord and especially pray for his children and wife who are not saved. Both of his

end of the school year – but the door remains open to teach about Jesus Christ in this school! Amen!

I helped cover another missionary's ministry while they were home on a short furlough (the ministry we first worked with here in Wales). In addition to helping with part of the preaching, I was asked to perform the funeral for a dear and faithful member, Megan Edwards. She steadfastly helped us with our teen outreach, inside and outside, when she was in her 80's! Her one request was that the gospel be preached hard at her funeral which I was honoured to do. The chapel in Llay was filled out of respect in the community for her. I will miss her but have joy knowing that we will meet again in glory!

children are in the military but he has arranged for them to be able to attend his baptism!

I have been blessed to be a part of Capital City Baptist Church's and Adial Baptist Church's vacation Bible schools this summer! It was an honour to record video messages at various locations here in Wales to show them a bit of our mission field! Who knows which of those children will surrender to take God's word to the uttermost?
