## Seeing Fruit

After our first year in Singapore being a real uphill battle, filled with hard work and many setbacks, this second year we are beginning to see the fruit of our labor.

God is faithful. We began Community Baptist Church in June of last year. We used many outreaches and invited so many people but we just seemed to remain with the same small group. Wendy, her maid Ris (pronounced Reese) and two young children began coming very faithfully. Wendy, from a Presbyterian background, asks many questions and sincerely desires to know the Truth and grow in God. Her maid, Ris, is also a Christian from Indonesia. She sits and listens and is actively involved in our services.

Then God brought Edgar, Venassa and their three beautiful children. Edgar is Anglican and Venassa is Catholic but they are enthralled by the way we preach and teach the Word of God. They are soaking it in and asking questions too. They have also brought Edgar's mother, Lily and grandmother, Doris on a few occasions.

Stephanie, Cris, Marishelle, Venassa, and Wendy

Cris, a faithful Filipino member who stayed with us when Victory closed, has been witnessing to her childhood friend, Marishelle. Marishelle came to the Ladies Tea and has also visited our services twice since then. Please pray for her salvation.

This past Sunday, we had a Filipino visitor drop in who found our church on the internet. His name is Jonathan and he just moved to Singapore to try to find work. Please pray as we try to build a relationship with him and encourage his relationship with Christ.

March was our Missions Month and we had guest missionaries from closed door Southeast Asian countries of China, Malaysia, and Vietnam. We plan to partner with three of these and extend our ministries throughout Southeast Asia.

Mandie and Tobie got to go on service trips with their school to India and Indonesia. We were excited for them as they saw God use them. They were able to help with physical labor as well as sharing Christ with those they met. We are thankful to see God working His plan for our ministry through our whole family.
