BLESS Year #3 BEGINS!

We began our third year of our free literacy program, BLESS, on November 6 with 13 students. Reports are that the parents are excited and cooperative.

Please pray that **ABOVE ALL** families will be reached and souls saved. Pray for our volunteer staff. They put in untold hours both teaching and visiting in the homes to develop relationships with these families.

WE'RE STATESIDE...

We arrived in the States on Nov. 8. Jill's first medical appointment is Nov. 21. Continue to pray that we can determine what needs to be done and get things started early, despite the holiday "interruptions."

Please pray that we can be a blessing to our family while we're here. Our daughter, Stephanie, is caring for Grandma full time. Grandma suffers from dementia, Alzheimers and Parkinson's disease. Pray we can be a blessing to David's dad who is 88 and remains in their home about 70 miles away.

We're *scheduling visits to our churches*. Looking forward **to getting to share the news of the work with you while we're home.**
