Dear Pastor & Church:

Missionary Worth Worley, played such a huge part in my life. It began when he gave me his oldest daughter, Ginger, to be my wife. He was the the instrument that the Lord used to impact our lives and ministry in so many ways. However, the most important ways was by (1) the example he set by his love for the Lord and his passion for reaching the lost; and (2) the many hours that he spent every day in prayer for us and for so many others as well.

On Monday, December 4th, "Dad" went home to meet the Saviour whom he had loved and served so faithfully for so many years. Ginger and I made a quick trip back to the States for the funeral and then returned to Singapore for the many year end events that required our presence. However, we have made the decision – with the approval of our sending pastor and mission director – to take a six-month furlough beginning the end of this month. God has graciously provided a couple, Dr. and Mrs. Dennis Bellew, who will oversee the work here during our absence.

We certainly covet your prayers for Mrs. Worley during this time of bereavement, for us as we will be traveling and for the work here in Singapore. Also, if you would like for us to visit with you during the next six months, please let us know as we begin to quickly prepare an itinerary.

Also, thank you so very much your investment of \$75.00 in our ministry during the month of December. It is our prayerful desire that your investment will result in spiritual fruit that will abound to your Heavenly account (*cf.* Philippians 4:17)!

We shall remain ...

Yours for lost souls,

*Ray & Ginger*
