Missionaries to Singapore

Dear Brother Grieme:

My mother used to tell me, "*The older you get, the faster times goes.*" Well, I must really be getting old because this past couple of months have simply flown by!

It has been our prayer that our people here in Singapore would catch a greater vision for taking the Gospel to the "*10/40 Window*" – the least evangelized area of our world – which begins right at our doorstep. With that thought in mind, we organized a mission trip to Cambodia and, after weeks of preparation, on Monday (November 19th) a group of thirty-four people landed in Phnom Penh. There we learned some of the tragic history of Cambodia's past and saw the prospects for the future as we spent the next four days working with missionary Mike Valdez. It was a joy to preach in his church, to lead three VBS sessions for children in two different areas, and to distribute tracts through the nearby market areas.

Please pray with us that the seeds sown will bring forth fruit that will glorify our Father – and also pray that, out of Singapore, the "*lord of the harvest*" will call forth laborers who are willing to go to the fields of this world that are so white and ready for harvest.

As we come to the end of the year, Christmas always presents us with unique opportunities to share the story of Jesus with those of other religions. Pray that God will open doors of opportunity – and give us the wisdom needed – so that we may reach men and women for our Saviour.

Ginger and I want to wish each of you a **MERRY CHRISTMAS!** We also want to say that we appreciate so very much your investment of \$150.00 in our ministry during the months of September and October. May God richly bless your investment with a great harvest of souls!

We shall remain ...

Yours for lost souls,

Ray & Ginger
