Dear Pastor & Church:

As we mentioned in our last letter, we returned to the US on January 24th for a six-month furlough. That was actually one day later than we had planned since our original flight was cancelled due to bad weather in Toyko. However, praise the Lord, we finally arrived safe and sound even though I think the bad weather followed us to North Carolina! ☺

About a week before our departure, Dr. and Mrs. Dennis Bellew arrived in country and we were able to leave the work in their capable hands. Already we have received the good report of two people trusting Christ as their Saviour and one couple, for whom we have been praying for some time, presenting themselves to follow the Lord in baptism. We certainly covet your prayers for God's continued blessings on the work in Singapore during our absence.

Since we have been in the US it has been our privilege to preach in several churches – and there are some others who have contacted us about coming to be with them. We certainly covet your prayers that God will use us to be a blessing and help to those to whom we are able to minister – and also pray for our safety as we travel the highways.

Of course, we want to sincerely thank you for your investment of \$150.00 in our ministry during the months of January and February. It is our prayerful desire that your investment will result in the salvation of souls here in the US, and around the world in Singapore!

We shall remain ...

Yours for lost souls,

Ray & Ginger
